Coordination of Programs

Technical Assistance

The LEA provides guidance, technical assistance, and support to schools developing schoolwide programs in the areas of needs assessment, comprehensive planning, implementation, and evaluation of schoolwide program and requirements.

Describe the technical assistance provided. Explain why it was considered high quality technical assistance.

The technical assistance provided to the school was through the district’s assistant superintendent, Dr. David Wright. Dr. Wright researched areas of need in Schoolwide Title I programs and determined ways to transition these areas into the school. He then provided continued assistance throughout the planning process. The school had already developed a tiered intervention model. The goal was to improve the process already created and to maintain its success through evaluation meetings with faculty and staff as well as making adjustments to evaluation measures.

**Response to Instruction and Intervention (RtII)**

**Description:**

The Pennsylvania Department of Education strongly endorses the RtII model as the assessment and instructional framework to organize and implement Pennsylvania's Standards Aligned System (SAS) to improve student achievement. RtII in PA is not viewed as a stand-alone strategy, product or program; rather it is a part of the state's comprehensive system of continuous school improvement and provides a structure for schools to arrange and implement standards aligned instruction, core strategies, and interventions in the building to meet the academic and relational support needs of all students. **Family Literacy Activities**

**Description:**

Family literacy is defined as home literacy activities that provide literacy skill-building opportunities for young children while enhancing literacy skill development in all members of the family. **Curriculum Mapping**

**Description:**

A curriculum map is a working document that illustrates exactly what is taking place in classrooms. Maps reveal what is being taught over the course of a year, within a unit of study, and even down to a specific lesson. Often, a map for a lesson will include essential questions, the content that will be covered, skills students will demonstrate if they understand the content, assessments, and activities. **SAS Alignment:** Curriculum Framework

**Implementation Steps:**

**Creating Opportunities for Parent Involvement**

**Description:**

Building level reading specialists from Avona and Wilson Borough as well as the RtII coordinator will work together to create events for parents to become more involved in their child's reading. This may include coordinating programs with PBS and/or Barnes and Noble to teach parents how to engage in reading activities at home with their child. Another night would involve bringing in pre-school families. Reading specialists, RtII coordinator, and Kindergarten teachers will present lessons and activities parents/guardians can use at home to help their child get ready to read.
Start Date: 8/26/2019  End Date: 6/5/2020

Program Area(s):

Supported Strategies:

• Top 5 Reasons Schools Need to Engage Parents
• Response to Instruction and Intervention (RtII)

*Improving student's pre-reading and reading skills*

Description:

All teachers and staff will continue to teach in a systematic and explicit nature with the new Reading Series. Building level reading specialists from Avona and Wilson Borough as well as the RtII coordinator and teachers will ensure communication occurs both to and from the home to assess student understanding with the new curriculum.

Start Date: 8/26/2019  End Date: 6/5/2020

Program Area(s): Professional Education
